

# We Are Living In Sick And Perilous Times!

By David J. Stewart | August 2015 | Updated April 2016

***Matthew 24:11-13, "And many false prophets shall rise, and shall deceive many. And because iniquity shall abound, the love of many shall wax cold. But he that shall endure unto the end, the same shall be saved."***

The preceding passage of Scripture deals with the soon coming 7-year Tribulation period. Already, we are seeing many of these dire circumstances that Jesus mentioned in Matthew 24. The disciples asked Jesus when the world will end in **Matthew 24:3**, "**And as he sat upon the mount of Olives, the disciples came unto him privately, saying, Tell us, when shall these things be? and what shall be the sign of thy coming, and of the end of the world?**" The Lord said that iniquity would abound. The word "iniquity" means "unpunished evil." We are living in times of gross injustice, lack of honesty and evil corruption.

U.S. prisons are filled with Americans citizens, over half for non-violent offenses. Why should tax-payers pay those outrageous bills? We need to do it the Bible way, which is to publicly beat them with a whip. In serious cases, like murder, the death penalty is God's way. Please watch, [The Criminal Injustice System](#) (an excellent sermon by Pastor Steve Anderson). It is cruel and unusual punishment (a blatant violation of the 8th Amendment to the U.S. Constitution) to lock a man in a cage for the rest of his life. That is not humane, that's barbaric and cruel! **Proverb 12:10b**, "**but the tender mercies of the wicked are cruel.**" The Bible teaches to do unto other as we would have them do unto us (Matthew 7:12).

We live in a merciless, hateful and throw-away society in America. People want others, who hurt their loved ones, to rot in prison for life without any hope of parole; but then they plead for leniency from the courts, when it's their loved ones on trial, facing hard time for crimes done. It is hypocrisy! Americans lack love, mercy and forgiveness. Inmates are not rehabilitated. They are left to rot. The entire American legal system is evil, unfair and corrupt, and everyone working and profiting from "the system" have innocent blood on their hands from their victims!!! Judges and lawyers destroy people's lives, "just doing their job" so-to-speak, but God will hold them accountable for every word (Matthew 12:36), every dollar (Romans 14:8), every thought (Proverbs 24:12) and every deed (Ecclesiastes 12:14). **Romans 14:8b**, "**We are the Lord's.**" The way the heathen court system treats a Christian guilty of a crime is how they treat Jesus, for we are His brethren (Matthew 25:40, 45). If justice does not equal the crime, then it is INJUSTICE. No one ever deserves to be locked in a cage like an animal, never, not for any reason. It is barbarianism and cruel, not God's

way.

## **The Insane U.S. Criminal Injustice System**

On June 26, 2015, same-sex PERversion was legalized in all 50 states by the heathen U.S. Supreme Court. This is so sick! The very idea of two men sodomizing each other in the anus is intensely disgusting, highly offensive and utterly barbarian. Unbelievably, as recent as 1962, all 50 states rightfully banned sodomy, punishable by imprisonment and hard labor. In just 53 years our nation has turned from righteousness to wickedness!!! We've gone from light to darkness!!! We've gone from being a culture of Bible-believing churches to a culture of apostate religious institutions!!!

[In March of 2014, authorities made a gruesome discovery.](#) A 34-year-old male (who is a relative of a top Mexican drug cartel leader) was caught red-handed transporting children in a refrigerator, where innumerable children were taken to rented homes, murdered, and then their organs harvested for sale on the black market. [The Rise Of Black Market Organ Harvesting.](#) Can you imagine someone kidnapping children, putting them alive into a refrigerator, taking them to a rented home, and then murdering them, so some monster can harvest their organs and sell their body parts on the black market? Every day in the United States, there are 18,000 people on waiting lists for organs. This is why the demand for organs is so high.

## **Wicked Incestuous Mother And Son Brag of "Mind Blowing Sex"**

I read in the news today (April 2016) about an odd Michigan couple from Australia, a [51-year-old mother \(Kim West\) who has been bragging publicly of "Mind Blowing sex" with her 32-year-old son \(Ben Ford\).](#) This is America today! As a God-fearing Christian, I am firmly convinced that the ungodly media intentionally promotes such stories (perhaps even fabricating them), to push the next frontier in the United States, which is incest, pedophilia, bestiality and polygamy. To understand why the Luciferian Illuminati are doing this, please read my article, [Taylor Swift And Satanism!](#) You can thank Taylor Swift, Miley Cyrus, Katy Perry, Madonna and other losers in our degenerate amoral society today for the total vacuum of morality and faith in God. [End Times Are Waxing Worse And Worse! | Part 2](#) (soul-stirring preaching by Pastor Castle). 2nd Timothy 3:1, "This know also, that **in the last days perilous times shall come.**" [MTV Celebrates Bestiality And Depicts Sex With Animals On Stage During 2016 Movie Awards Show!](#)

It was [reported in the Jewish-owned, filthy, Huffington Post, news in April of 2016](#) that an unmarried couple (21-year-old Searcy Hayes and 25-year-old fiancé Freddie Green) who are shacking up, agreed to film a 6-minute porn video for \$10,000. The female looks like Senator Ted Cruz, so a vile online porn website offered her \$10,000 to make the film. You couldn't make this filth up! What has our nation deteriorated into? This is so evil and wrong! It ought to be illegal. Searcy shamefully said, "I'm fine with it because everything is going to support my family," she said. "I want to get my son whatever he wants." That is so evil. This is situation ethics, where the circumstances are used in an attempt to justify the morals. Anything can be justified if you neglect and ignore God's Holy Word. Just because something will support your

family doesn't make it right in God's sight. Long after that \$10,000 is gone, the ungodly perverted sex video will still be circulating around the world on the internet. Sin always has consequences! People these days live as though there is no God, no coming Judgment Day and no burning Hell. **Psalms 36:1**, “**The transgression of the wicked saith within my heart, that there is no fear of God before his eyes.**”

## **Like the wicked City of Sodom, Homosexual Are Forcing Sex Upon the Innocent**

We are now living in the End Times. I never dreamed as a child that the time would come when we would see “TRANSGENDERED BATHROOMS” in our nation's schools. Since 2008, then Governor, Arnold Schwarzenegger, passed a law banning the use of the words “Moms and Dads” in all public schools, to prevent children of homosexual couples feeling left out. Isn't that sick? Yes, it certainly is. We've lost our minds in America. [Just Like the Old Testament city of Sodom, The Wicked Are Forcing Sex](#) (the homosexual agenda is psychological warfare). Making transgendered bathrooms is about starting the conversation, getting kids into it, having it in the books, and nudging them into that deathstyle. It's psychological warfare! Luciferians are taking over U.S. society. The entire homosexual movement worldwide is a eugenicist, depopulation, anti-family, anti-Christian, evil movement. We're being messed with!!! The truth is that 5-years-olds are being taught oral sex by sicko teachers. Parents are being told they cannot pack lunches. Kids are reading ungodly books; such as, “Heather Has Two Mommies.” **2nd Timothy 3:1**, “**This know also, that in the last days perilous times shall come.**”

## **Mother Bakes Son in Oven**

In 2012, [a 25-year-old Mississippi mother baked her son in an oven](#). My God! My God! What have we turned into as Americans? We are living in filthy, wicked and perilous times!!! There's only one way out of this mess, and that is up! Even so, come, Lord Jesus!!! People are paranoid these days, malicious, dishonest, uncaring and ungodly. I'm sick of this world! I want to go home to Heaven to be with Jesus!!! We're living in a generation of spoiled brats! Youth have no respect for their elders. I want to go to Heaven, where they praise the Lord. You won't hear anyone taking the Lord's name in Heaven. Amen for that! There's no thug gangs in Heaven. There's no abusive, rude and unkind people in Heaven.

I look forward to dying, which is really a graduation from this world to the next for the Christian. Unbelievers go straight to Hell, but Christians go straight to Heaven. It is frustrating to know that nearly all religious people are going straight to Hell when they die, because they have trusted in substitute for the Gospel (Matthew 7:13-15; Luke 13:23-24; 2nd Corinthians 11:13-15). I thank God that He has shown me the truth of “**the simplicity that is in Christ**” (2nd Corinthians 11:3-4). I am only going to Heaven because of what Jesus Christ did for me on the cross. Jesus was buried and He resurrected from the dead three days later. My hope is in the blood of the Lamb sprinkled upon the heavenly Mercy Seat (Hebrews 9:12, 24; Hebrews 12:24). 1st Peter 1:18-19 says we are redeemed by the precious blood of Jesus! Thank you Lord Jesus, my God and Savior!!!

The way I live has absolutely no place in my salvation, nor does it validate my faith in God's sight. I have received the gift of God by faith. I try to live right as a believer because I love my Lord and He deserves my obedience. I don't want to break His heart anymore than I have. Sin always breaks God's heart. When we get right with God and commit our life to serve Him (as believers), our faith pleases God (Hebrews 11:6). This has nothing to do with getting saved, which is solely by believing the Gospel.

When I was growing up you didn't have to worry about being victimized by tens-of-millions of criminals flooding into the country through and from Mexico. U.S. President Obama and other puppets of the globalist's (Illuminati's) plot to create world government are now calling illegal aliens "refugees." They want illegals to invade America! They want to destroy the U.S. economy, drive down labor rates, provide cheap slave labor for corporations, wreak social havoc, and bring Americans to their knees. The weaker, poorer and more destitute they can make Americans, the more people will look to big government to sustain their every need. To the same degree that citizens trust in centralized government instead of God, they are humanists.

As of 2015 the U.S. population has reached 320 million people, but it's 380 million if you include all the illegal immigrants. Whereas immigrants in the early 1900's migrated to the United States to work and benefit our nation, many of today's immigrants migrating into the U.S. are bringing more problems than benefits to our culture. Most immigrants entering into the U.S. in the early 1900's didn't speak English, but they learned; but today most of the immigrants flooding into the U.S. don't speak English and won't learn it. In Miami, Florida, more than 50% of the population can't speak English. American citizenship ought to require the ability to speak fluent English. This is America, speak English!

One of the most horrible things that people do to disrespect others is to start speaking in their own language in the presence of someone who doesn't understand them. When I was in the hospital for gallbladder-removal surgery, two Philippine nurses were working together to insert an I.V. needle into my left arm. They missed the vein and had to try again, but they went from speaking English to speaking Tagalog (I think that's what it was). Such behavior is unethical, rude and downright mean. In my opinion, it is a form of racism. There's nothing wrong with speaking in one's own language, and being proud of one's national heritage and promoting it; however, to go from English to one's own language, to hide what you are saying to the English person in the conversation, is a terrible thing to do. I've oftentimes heard people change their language, making comments and laughing together, that understandably left me feeling that a derogatory comment was made about me. Can you blame someone for feeling that way? You may not care, but Jesus taught in *The Golden Rule* in Matthew 7:12, that is, to treat OTHERS the way you would like to be treated. This is one of the most powerful truths in the Word of God—DO UNTO OTHERS AS YOU WOULD HAVE THEM DO UNTO YOU!!!

## Good Samaritans Murdered For Their Kindness

These are perilous times!!! In July of 2015, [a Good Samaritan couple](#) (Jason Shane, 51, and his wife, Tana Shane, 47) in Montana stopped to help an 18-year-old young man whose car ran out of gas. The

young man was a Mexican immigrant in the U.S. on a Green Card (which permits permanent residence, but you're not a legal U.S. citizen). Also, the couple's 26-year-old daughter, Jorah Shane, came to help the young man. The young man demanded money, but the couple were broke, having just returned from a religious revival in Arizona. The man brutally shot the couple to death, and then shot their daughter in the back, who fled and barely escaped with her life. Being a Good Samaritan (Luke 10:29-35) is the right thing to do, but in this evil world today, you are at great risk and need to be very careful about helping others. We don't want to let our heart grow cold and hard (Matthew 24:12), so that we refuse to help anybody, but we need to use

discernment and be careful these days.

I remember many years ago when I lived in Chicago, that a man driving by saw another man beating a woman early in the morning. So he stopped and broke up the fight, and the woman stabbed the Good Samaritan in the back to defend her boyfriend (the boyfriend who was beating her, go figure). You just never know these days. Nobody trusts anybody anymore, and you can't blame them. Americans are paranoid, dog eat dog, dialing 911 for every little reason. Children are being arrested and expelled for chewing their chicken nuggets into the shape of a gun. California passed a law in 2008, still effective, banning the words "Moms and Dads" in public schools, to make kids of homosexual parents feel better. What a sicko society! Please listen to the awesome sermon by Pastor Danny Castle, "[7 REASONS WHY I WANT TO GO TO HEAVEN!!!](#)" I agree 100% with Brother Danny. I'm so sick of this filthy wicked world. I hope and pray that the Lord Jesus Christ comes back right now!!! Even so, come, Lord Jesus.

THE WORLD RUNS ON COUNTERFEIT MONEY CREATED MOSTLY BY A CRIMINAL CARTEL. Unless you understand this very basic problem you are being irresponsible when you vote and talk politics. The Courts and your economics teacher may attempt to explain it away using such concepts as the velocity of money and fractional reserve lending, but it is still counterfeit. Lacking clear understanding in this matter, you will simply perpetuate a system that has brought mountains of debt to the working class, horrific wars and misery to most of the inhabitants of this planet.

The reason why tens-of-millions of Americans were begging for government healthcare (ObamaScare) is because 20,000 Americans were dying each year who couldn't afford insurance to pay for needed surgeries. Millions more couldn't afford simple medical treatments. The reason why Americans couldn't afford to pay for health insurance is because tens-of-millions of manufacturing jobs have been eliminated (called "deindustrialization"), sent to foreign soil to exploit cheap slave labor and escape U.S. OSHA (workplace safety), unions and government regulations. These are U.S. corporations, many who receive corporate welfare (taxpayer money) from the U.S. government, who operate on foreign soil and rob Americans of a decent job. This is why 53% of the wealth in America is owned by only 1% of corporate executives!!! [Over half of Americans earn less than \\$30,000 a year](#). American

corporations pay penny-wages to foreign workers in China and India, and then sell inferior imported products at premium prices to Americans, making company executives filthy rich!!! It is treason! It is injustice! It is utterly evil!

Do you know why the Globalists (aka, Illuminati and gang) work relentlessly to centralize everything into big government? It is simply because once centralized, it is much easier for them to take over the system and abuse it to establish their own agendas. Big government (or centralized government) has always been the enemy of freedom and liberty for the people. National communism is always preceded by socialism, that is, social programs that centralize everything into BIG GOVERNMENT. The Illuminati fully knew that when President Franklin D. Roosevelt began all the social service programs in the 1930's in the United States, it would all lead to centralized government, making it like taking candy away from a baby to hi-jack the U.S. federal government (which they have done). In fact, that was the plan of the Illuminati (also called, The World Revolutionary Movement) from the very beginning. Big government always leads to massive corruption, a Communist takeover and loss of liberty and freedom for its citizens.

It is sickening how much blatant evil is being committed in plain sight, and we're helpless to stop it because 99% of the American people are as dumb sheep headed for the slaughterhouse!!! One person CAN make a difference. The answer is NOT in The White House. Nor is the answer in the churches, unless those churches are obeying the Words of God in the Holy Bible. The answer is in God's Word. Anarchy will not restore liberty and freedom in America. Where does national healing begin? It starts with you, and me, and each individual. Don't ever make the mistake of thinking that one person can't make a difference. God rewards (1st Corinthians 3:6-8) and judges (Romans 14:10-12) us INDIVIDUALLY. Even if you are part of a network or group, you will ultimately be held accountable *alone* when you stand before God (Hebrews 9:27).

## **We Are Living in Sick and Perilous Times!**

May we all do our part TO CARE. Without genuine concern nothing else matters. We are living in some sick times in America. Youth and adults alike are covered in tattoos. I was seated waiting at the pharmacy the other day, I and saw a young man standing in line who had what looked like fish-scales tattooed all up and down both arms. His name was tattooed across the back of his neck. He had stocking-like tattoos up and down both legs. I felt sorry for him, wearing the world's identification marks. Truly, the masses are ready to receive the Mark of the Beast.

I read in the news recently about parts of Baal temples being erected in New York city and London, replicas printed from 3D printers. [Satan Worship 4 The Masses: Baal Temple In New York A 'Gesture Of Defiance' Against God](#). The United States began murdering human beings, which our nation legalized in 1973. God hasn't legalized murder!!! Same-sex marriage is now the law of the land since June of 2015. In ancient times, Baal worship included child sacrifice and bisexual orgies. It is fitting that Americans would now build temples in honor of Baal, as a "gesture of defiance against extremists" (that's what the builders are calling it). In actuality, God is the ultimate extremist, so it is really a gesture of defiance against God almighty, and also to commemorate our perverted and murderous U.S. culture of degeneracy.

We are living in sick times, when children in public school are prohibited from using

the terms “mother” and “father,” lest a child of two lesbians or sodomite “parents” feel ostracized. That is sick! I'm not kidding! Governor Arnold Schwarzenegger passed these insane laws in 2008 while still governor in California. Now, nationwide a battle has ensued, over freakish laws being passed which permit crossdressing men to enter women's restrooms. Literally, urinals are being build in women's restrooms around the country. You couldn't make this stuff up! These are strange times indeed!

The truth is that the [Luciferians who control the government from behind the scenes in Washington](#) are doing everything in their power to destroy the United States, to achieve their diabolical agendas. In essence, in order to build a New World Order, you must first destroy the Old World Order. If you doubt these truths, simply look on the back of any U.S. one-dollar bill for the Illuminati's *The Great*

*Pyramid* and *All Seeing Eye* of Horus, which represents Lucifer (the light bearer). Occultists have put these symbols on U.S. currency since the 1930's to accomplish what Alice Bailey termed “[The Externalisation Of The Hierarchy](#).” That is, the ancient mystery religion of Baal worship is being revealed to the world. The world is now being prepared to receive the soon coming man of sin, the Anti-Christ. We know it will be “soon” from studying Bible prophecy. [Nebuchadnezzar's image](#) of different metals teaches us that we are now living in the times of the feet and toes mixed of iron and clay. This will be the New World Order. THE END TIMES ARE HERE!!!

Communist Dictator Vladimir Lenin made the remarkable statement that “A youth devoid of morals is the best revolutionary.” That's why today's youth are being relentlessly attacked by the Devil, deprived of the Holy Bible, indoctrinated with the satanic lies of Evolution, saturated with sexually perverse television programming, brainwashed with Harry Potter's witchcraft, and influenced by the music industry to be selfish, fornicate, drink booze, seek vengeance, be proud, despise parents, and live in rebellion against God. Youth today are amoral, that is, they have no morals. Revolutionary youth rebel against all parental, pastoral, government and Biblical authority. Instead, they will only follow another revolutionary, like the Antichrist!

Everything is a lie nowadays! We read in Revelation 12:9 that the Devil is now **DECEIVING THE WHOLE WORLD!!!** Worldly music is a lie! Hollywood is a lie! Television is a lie! The entire U.S. political process is a lie! Our Federal Reserve money system is a fraudulent lie! The illusion of freedom in America is a lie! All of the new Bible versions are a lie! Lordship Salvation is a lie! Zionism is a massive lie! A Young Earth is a lie! The United Nations is a lie! The pharmaceutical industry is a lie! The U.S. legal system is a lie! Evolution is a giant lie! The conservative religious right is a big lie! The official 9/11 World Trade Center attack story is a big lie! Roman Catholicism is a humongous lie! Freemasonry is a lie! Mormonism is a lie! Seventh-day Adventism is a lie! The mainstream newsmedia is a lie! Fox News is a lie! CNN is a lie! The Devil is a liar and the father of all liars (John 8:44). Everywhere that we turn, Satan is deceiving the masses, leading them into destruction, slavery and Hell.

[Today's youth are being inducted into satanism!](#) The God of Satanism is sex! Sex, drugs (alcohol is a narcotic), abortion (child sacrifice) and rebellion against the truth of God's Word—These are all elements of Satanism! If you've lived in America for any amount of time, you know that the perverted media are always introducing more offensive things to the public. The “shock factor” goes up a few more notches several times every year, as sicker, weirder and more evil things are publicized from Hollywood, the government, the music industry and even the evangelical religious world (sad to say). Case in point, Bruce Jenner! Case in point, Miley Cyrus and Taylor Swift! We have only seen the beginning of evil things to come. The insanity will get much worse!

People are getting board with the same old same old. There's nothing new under the sun. The morality bar will continue to be lowered. HOW LOW CAN THEY GO? Sad to say, PRETTY LOW!!! [Bestiality was the theme](#) at a recent movie awards event in HollyWEIRD! In Rome, Christians were publicly fed to hungry lions. It was a cruel time of gladiators, brutal crucifixions and iron rule of tyrannical law. According to Bill O'Reilly's intriguing book, “The Killing Of Jesus,” prisoners were sometimes put into a bag of scorpions as a method of execution! Can you imagine? Oh how cruel can mankind be to one another. The Bible foretold that in the last days “**evil men and seducers shall wax worse and worse, deceiving, and being deceived**” (2nd Timothy 3:13). Have you been deceived?

The best thing that we can do as born-again believers is live for the Lord. Abide in the Scriptures. Claim the promises of God. Pray without ceasing. Stay faithful to church. Get involved. Support missions work! As much as health allows, every believer needs regular Christian fellowship with fellow believers. Every Christian needs regular hard Bible-preaching. Enroll your children into a Christian school. Get them out of public school or they'll go to the Devil. Avoid close friendships with backslidden believers and the unsaved. We are at spiritual war! Use only the King James Bible. Make sure you haven't been deceived concerning [the Gospel](#). There are many enemies of God in the world. Wickedness is everywhere! be of good cheer; I have overcome the world.

Ah, but God is still on His throne! Jesus encouraged us in **John 16:33** to “**BE OF GOOD CHEER; I HAVE OVERCOME THE WORLD.**” That is precious!!! Because of the heathen culture that we have in America, it is easy for us as believers to lose focus quickly upon the things of God. Live in the Word of God. Think about it throughout the day. Stay focused on Jesus Christ and the things of Heaven:

**Philippians 3:18-21, “(For many walk, of whom I have told you often, and now tell you even weeping, that they are the enemies of the cross of Christ: Whose end is destruction, whose God is their belly, and whose glory is in their shame, who mind earthly things.) For our conversation is in heaven; from whence also we look for the Saviour, the Lord Jesus Christ: Who shall change our vile body, that it may be fashioned like unto his glorious body, according to the working whereby he is able even to subdue all things unto himself.”**

Amen and amen. Even so, come, Lord Jesus! END
